PROJECTS

[22/01/2025 - 07/04/2025]

Seniores Online Collaborated in a four-person team to develop a social intervention project aligned with three UN Sustainable Development Goals (SDGs). Specifically focused on the senior population, the initiative aimed to combat social isolation through the strategic design and implementation of three tailored interaction activities. The project emphasized community engagement and the promotion of active aging through structured social dynamics.
